## Introduction

This dictionary is a compilation of the extensive work done by the community at [thuum.org](http://thuum.org). It is the result of four months of focused expansion on the lexicon of the Dragon Language found in *The Elder Scrolls V: Skyrim*, referred to as “Dovahzul” by its speakers. Here you’ll find all of our nearly 2,000 words listed in both Dovahzul-English and English-Dovahzul.
